

THANK YOU FOR PARTICIPATING IN OUR FUNDRAISING PROJECT - GIFT CARDS.

Hello Church Family

Our finances are in need of a boost, and the gift card program gives us an opportunity to treat our family, friends and ourselves, while providing additional income to our church. Invite your friends and family to participate as well.

The VISTA Gift Card program is a way for us to purchase gift cards for a wide variety of retailers all in one place, delivered to you by the volunteers. We automatically receive a percentage of the value of the card, and you have the card which is full value – buy \$100 dollar card, you get \$100 card, church gets a percentage – each retailer provides a different amount, as shown on the order form.

In order to get this program started, our first order must be received no later than Dec 8 so the order can be prepared and sent off. Complete the order form (two sides), attach your cheque or cash, and give to Liz Gosse Davidson no later than Dec. 8. If you won't be at church that day, please put the order and payment in an envelope and deliver to the church prior to that date – put it in the FINANCE mail slot. I am working at getting a dedicated bank account set up for our project, but for the first order, please make your cheque out to Liz Gosse Davidson. I will be keeping a detailed accounting of all the cheques and cash received to ensure we can properly keep track of the receipts and the delivery of the cards.

I will submit the order to VISTA, they will issue the invoice, and I will make payment through the bank. The order ships in 3-4 days following payment to VISTA (maybe 4-7 during the holidays), and I will pick up the package at the Purolator office, then will sort and distribute the cards to those who placed orders.

Keep in mind you buy groceries and gas anyway, so buy some cards for yourself and use them instead of cash, credit or debit when you shop. This will help out the church greatly. If we raise \$4000, we won't have to pay the shipping costs either!

The order forms are in the bulletin and on the narthex table. Thanks for your support!

Liz Gosse Davidson, Treasurer

Certain gift card denominations may be out of stock. The company will do its best to fill the order as received, but reserve the right to substitute denominations if necessary.

Canadian Tire Cards must be redeemed with the attendant inside the Gas Bar, not at the pump.
